first published in 1990 these books were compiled to help the professional development of primary school teachers and represent wholly enlarged updated and revised editions of the three primary source books

getting to the heart of primary education six contrasting studies of teachers teaching learning and classroom discourse all set in a historical frame contains extended lesson transcripts for re analysis the five studies in this book span the tumultuous period from the mid 1980s to the mid 1990s this was a time when the dominant educational ideas and practices of the previous two decades were being questioned and primary teachers were being catapulted from the plowden era into the very different ethos of the national curriculum the first four studies portray the ideas practices and dilemmas of primary teaching at different points during this period they also exemplify different approaches to classroom research though all of them stay close to the interactions between teacher and child which are central to learning they thus raise educational questions which are perennial and fundamental rather than tied to policy or fashion the final study uses a broader brush to provide a historical framework for understanding the particular blend of change and continuity which characterises english primary education as a whole

this new edition gives practical guidance on the new standards for qualified teacher status qts as well as the latest special needs code of practice and recent legislation provides a firm base for student teachers on all types of initial teacher education courses and for those returning to primary teaching after a career break includes

planning sheets proformas and reminders to develop effective classroom practice each chapter has its own learning objectives as well as information insights activities and references to other sources of information and guidance

published in 1989 in conjunction with the council of europe this book is a major source of reference for those interested in the comparative study of primary education in europe whilst there is much material available at secondary level there is little information about the organisation and practice of primary education in different european countries this book based on reports and case studies collected by the council of europe as part of its five year project innovation in primary education in europe remedies this providing an essential resource in the area divided into six sections each contributed to by member state of the council of europe this book covers topics including organisation policy and practice professionalism in primary school teachers and innovation in primary education

these books were compiled to help the professional development of primary school teachers and represent wholly enlarged updated and revised editions of the three primary source books published by falmer press in 1985

includes section reviews and notices of books

an author and subject index to publications in fields of anthropology archaeology and classical studies economics folklore geography history language and literature music philosophy political science religion and theology sociology and theatre arts
